VETERAN'S TRIBUTE IN DAMP MARCH

FLORENCE EASTMAN POST 280 UNIT LED BY GEORGE WHITE AND ACCOMPANIED BY SELECTMEN JOHN N.

DeCOSTA AND JAMES HUNTOON WITH REPRESENTATIVE-ELECT JOHN BRADFORD LEAD THE TOWN MARCHERS.

No one ever held up a war because it rained. American veterans from Valley Forge to Viet Nam suffered whatever the elements had to offer to establish and defend the freedoms found only in the United States. It is an extension of the honor due to them that the Tri-Town march was in less than ideal conditions and

that so many gathered in the line of march to watch, to applaud and to reaffirm our debt and faith in men who defend our ideals. It was an excellent parade full of color and, host town Mattapoisett and the Florence Eastman Post 280 American Legion Veterans' Day Committee, chaired by John DeCosta, can be proud of the enthusiasm and participation.

Judging the parade from the reviewing stand at the Mattapoisett Inn were Michael Bradley of Marion, John Atkinson of Mattapoisett and Kathleen E. Tonelli of Wareham.

Receiving the prize for best overall in the parade was the Whaling City Junior High School Band. Other prizes went to: Color

Selectmen voted to authorize the purchase by taking the $400.00 from the department's budget, and if the budget falls short by the end of the year, the Board agreed to allow a transfer of funds from the Reserve Fund.

(as of this time the car has been replaced.)

On October 28th Officer Kevin Paulson, driving police car #415, was responding to a call for assistance from the Fairhaven Police Department when the vehicle started to skid on the wet road, spun around and hit a telephone pole, the chief reported.

Moran said the cruiser was heading west at about 55 miles per hour with the siren sounding and lights flashing when the crash occurred on a curve on Route 6 across from the Getty Station. Nobody was injured, but the car was smashed and the rear axle was broken. The cause of the accident was believed to be caused by a malfunction in the 1984 Ford.

LETTER OF APPRECIATION

The following letter was sent by Paul H. Alves to Police Chief James Moran in appreciation of the professionalism of three police officers --- Joaquim C. Macedo, Russell Chase, Jr. and Arthur S. Braley. The Board of Selectmen also congratulated these men and the department for its dedicated officers.

The letter:

Recently I was in need of assistance from your department on two occasions, both of which involved animals.

In the first case, my little dog had been injured severely by an auto. On my way, I noticed the cruiser and asked for assistance. Officer Macedo escorted me to the Marion line without reservation. To him I was just a resident who needed help and he responded with much sensitivity and caring. Because of this and his aid, even though the animal's leg was shattered and her pelvis had been fractured, and our getting her to the vet's quickly, I was able to bring her home the next afternoon.

In the second case, I was taking the aforementioned dog outside and when I walked out the door a raccoon greeted me. I knew at once that this animal was ill. I again called for aid and Officer Chase responded almost immediately. In the meantime the Animal Rescue League was notified, and never responded. Because of the possible health problem, Officer Braley and Daniel Lee of the Health Board also responded. All three hunted and found the animal, which had gotten himself into an

almost inaccessible area. After a futile search, it was obvious that at the time nothing could be done. They left, with the understanding that if I saw the animal again I would call the department again.

At a later date I discussed the situation with Dr. Tremblay and he allayed my fears as to rabies and eased my mind with an explanation of distemper. Again, because of a deep sensitivity to life, even an animal's, this one was also given the opportunity to continue living. I never saw the raccoon again and I presume he went off into the woods and attended to his own business.

This reminds me of a young police officer, who responded to a head-on accident on Brandt Island Road some twenty years ago. He aided the victims with this same kind of sensitivity. He also did not know the victim personally, but he did sense a need for his help and he gave it willingly. When it became known that he was aiding his sergeant's son, he continued to exhibit this same sort of attitude which was and is still appreciated. Today, that police officer is chief.

I want to thank you and your officers and I also want to commend them for their professionalism. With this type of Police Department the Town of Mattapoisett and I can rest in complete comfort and assurity. After all, the Department only reflects the sensitivity, caring, and professionalism of their chief.

Thank you all.

Very truly yours, Paul H. Alves

It's almost our 2nd Christmas ....

And we are all looking forward to it.

As we feel the ground more solidly under our feet, the store is going in the direction we want it to (most of the time) and we are better stocked and prepared than at this time last year.

Carol has done a terrific job with our Christmas cards and Advent Calendars. We have a larger and more diverse selection than ever and we even have Christmas post cards.

Bevo has done her usual extraordinary best in seeing to it that we all maintain our sanity (often at great risk to her own); while at the same time making sure that we have wonderful children's books for Christmas.

On her behalf, however, we must observe a more restrictive special order policy (just ask) as we do not want anyone disappointed over the holidays.

Further, we will be open late every Thursday night in December and the Sunday afternoon before Christmas. We will remind you.

Finally, we hope that you enjoy the season as much as we do. Not so much for the tinsel and the lights (which I really like) but more for the wonderful generosity and thoughtfulness people exhibit at this time of year.

We will be making Christmas arrangements for the tables for the Christmas luncheon of the club. We shall need fresh pine cones, acorns, hickory nuts, horse chestnuts, milkweed pods, so bring what you can find and think would be interesting. Time allowing, we plan to start wreaths for our homes, so it will also be necessary to have a 12 inch double wire ring for that project. Also needed will be small cutters, wire, pliers and gloves, if you use them when you work; also work clothes.

Letter to The Editor

In recent years, a dangerous disease has been diagnosed as a problem in eastern United States wildlife. This disease, Rabies, is spread from wildlife to our pets by being bitten. It is known that cats acquire rabies 20% more frequently than dogs partly because they are frequent hunters.

If a pet becomes rabid, its owner is in grave danger because it is usually fatal unless treated immediately.

The Greater New Bedford Area Veterinarians are offering a rabies clinic for Cats on Sunday, November 18, from 9 to 11 a.m. A $4.00 contribution is required. Please take advantage of these Clinics. It could prevent a disaster from occurring. Participating Hospitals are as follows: Anchor Animal Hospital, Buttonwood Animal Hospital, Capeway Veterinary Hospital, Marion Animal Hospital, New England Animal Hospital, Westport Animal Hospital, Woodland Animal Clinic.

Marion Mothers Club

PRESIDENTIAL TEA

The Marion Mothers' Club will be honoring the former Presidents of the Club with a Presidential Tea on Sunday, November 18th, from 2 to 4 p.m. at the St. Gabriel's Parish Hall in Marion. The club extends an open invitation to charter members, former members, present members and interested newcomers. The Presidential Tea is an excellent opportunity to come and chat for a few hours about the past and the future of the Marion Mothers' Club and the Town of Marion. Please feel free to come and join us.

For further information please contact Julie Hambly, President, at 748-2269, or call 748-2660.

The Marion Mothers' Club was organized in 1937 and has been an active community group ever since. The club's objectives are to stimulate active interest in the best all around development of children and to raise the ideals of home life through monthly meetings with pertinent guest speakers and activities such as the annual Halloween Parade; to raise money for health projects for children, including, over the years, tonsillectomies, diphtheria innoculation, eye glasses, hearing clinics, to the present support of throat cultures given at Sippican School.

The club enjoys raising money each year to provide a scholarship to a graduating Marion senior from Old Rochester Regional High School and contributing to the scholarship fund at Upper Cape Regional Vocational-Technical School.

All Marion mothers are invited to attend and join. Visitors are always welcome at the club's monthly meetings held the second Wednesday of each month, September through June, at the Sippican Woman's Club on Front Street in Marion.

ed by a museum instructor from Plimoth Plantation.

The instructor, dressed in authentic Indian attire, spent one hour in each classroom and presented the museum's Native American Program highlighting the way of life of the Wampanoag people who lived in the vicinity of Plymouth Colony in 1627.

The major thrust of the program was to dispel the Indian myth and present the true culture of the Native American. With this end in mind, Princess Great Star, the instructor, gave a slide presentation and brought with her a basket of Indian artifacts including tools, household items and clothing. These artifacts were the basis for hands-on activities, games and role playing through which the children experienced life in an Indian family. Emphasis was placed on how responsibilities were appointed and how interdependence contributed to survival.

This program was sponsored by the Mattapoisett P.T.C.

ORR SENIOR WINS CHANCE
AT CENTURY III SCHOLARSHIP

Joseph Rocha has won the Century III Leaders' Scholarship competition at Old Rochester Regional High School. This makes him eligible to compete with other high school seniors throughout Massachusetts for two $1500 scholarships, two $500 scholarships and also for a $10,000 national scholarship to be awarded at the conference for state winners held in Colonial Williamsburg, Virginia.

The Century III Leaders' program emphasizes the future concerns of America. Competitors are judged on the basis of their leadership ability, community and school involvement, work experience and knowledge of current events. In addition, each student must write an essay describing a problem that will face America in the next century. Applications were judged anonymously by a panel of five including a teacher, parent, minister, school committee member and an underclassman. Runners-up at ORR were Tom Jackivicz and Kristen Langhoff.

Joseph will now compete with other high school winners from around the state. Two Massachusetts students will be selected for the all-expense paid trip to Williamsburg in March.

The National Leadership Seminar provides participants with the opportunity to meet and hear national leaders speak on current issues.

the 1984 Ivy League championship title.

Demakis, a forward, scored Dartmouth's third goal in the win over the Tigers to give Dartmouth the insurance it needed for the win.

Dartmouth ended the season with a 5-1 Ivy League record (7-7 overall) which gives the Big Green a piece of the championship. Brown, also 5-1 in the Ivy League, will share the 1984 title.

A junior, Demakis has led the Dartmouth attack this season and was the team's leading scorer with four goals and four assists. In Ivy League play, she had three goals and three assists.

While at Bishop Stang Demakis earned six varsity letters, two in field hockey and four in tennis. She captained both teams and led both to undefeated seasons and Massachusetts state championships her senior year.

A biology major with an interest in medicine, Demakis is a resident of Mattapoisett.

As a special feature, 5 area students have been selected to perform with the Orchestra at this concert. They are Leonard Hsu, violinist from Dartmouth High School; Amanda Bicksel, violinst from Middleboro High School; and Lisa McGinn, violinist; Judi Harrington, cellist; Peter Machado, bass violist, all from BMC Durfee High School, Fall River. These 5 students are members of the recently formed Youth Orchestra sponsored by SMU, which is directed by F. John Adams, conductor of the New Bedford Symphony. This is the first time that talented area youngsters have been selected to participate in a New Bedford Symphony concert.

Because of the nature of this "Family Concert", special group rates have been set for student groups of 15 or more: $2.50 per youngster with chaperone admitted free. Non-group prices are $7.50 general admission; $6.00 seniors/students. Group reservations must be made in advance. Call Mrs. Lamoureux at 997-9044.

Thank You

We would like to thank everyone who attended the 9th Annual Holiday Arts and Crafts Show at the Hawthorne Country Club on November 4 and helped it be the great success that it was. The many New England crafters who participated in this year's event also would like to thank everyone for the support given them. The selection of crafters this year seemed to please so many of you, and we thank you for the many compliments extended to us in regard to the quality workmanship that was represented. The winner of the door prize was Mrs. Dolores Trial of New Bedford. Hope to see all of you again next year!

The mayors of both Fall River and New Bedford along with government officials, area legislators and representatives of the academic and cultural institutions have been invited to attend.

Lewis Hine (1874-1940) is becoming recognized as a major American portraitist. His work is currently being exhibited at the Library of Congress; recent retrospectives were presented by the Boston Museum of Fine Arts and New York's Metropolitan Museum. One Hine exhibit, put together by the Brooklyn Museum in 1974, was the first American art exhibit to travel to the People's Republic of China.

His pictures of immigrants landing at Ellis Island and working people have graced the pages of history texts and art books for several decades.

Great American Smokeout

TO BE HELD ON NOVEMBER 15

An estimated 52 million Americans - about 30 percent of the nation's population -- smoke cigarettes. Studies have shown that 85 percent of these smokers would like to quit, and a great many have tried to quit at least once.

On Thursday, November 15, the American Cancer Society will celebrate the eighth annual Great American Smokeout, a day when smokers can give being smokeless a try and get the support and encouragement of friends, family, and peers.

ception in 1977, millions of Americans have made an attempt to give up cigarettes for at least 24 hours. A Gallup study taken after the 1984 Smokeout shows that one smoker in three participated in the Smokeout. Of those participants, 1,560,000 smokers made it successfully through the day without cigarettes and 750,000 were still not smoking one to 11 days later.

American Cancer Society volunteers from throughout Massachusetts will join together to amuse and inform Massachusetts smokers trying to kick the habit on November 15. Helping to lead these efforts will be Cory Atkins of Concord, 1984 State Co-chair for the Great American Smokeout. Mrs. Atkins quit smoking four years ago after completing an American Cancer Society Smokers' Liberation quit-smoking program.

Also involved in this year's Smokeout will be Kitty Dukakis, wife of Massachusetts Governor Michael S. Dukakis. As part of the 1983 Smokeout "Adopt a Smoker" campaign Mrs. Dukakis was adopted by former Boston Fire Commissioner George H. Paul, 1983 State chair for the Great American Smokeout. Mrs. Dukakis was attempting to end a 32-year cigarette habit. She will hold a press conference at the State House on November 15 to discuss her struggle to remain smokefree. Governor Dukakis recently signed a proclamation declaring November 15 Great American Smokeout Day in the Commonwealth.

On November 14, the eve of this year's Smokeout, "Breathing Easy", a one-hour variety show aimed at helping teenagers quit smoking, will be aired at 9 p.m. on WGBH-TV in Boston. Funding for Breathing Easy was provided by the American Cancer Society and the American Heart Association. Additional funding was provided by the American Lung Association.

The 1984 Great American Smokeout will be followed by "Stay Quit Week", an intensive effort on the part of Cancer Society Unit public education committee across the state

duct a seminar titled Database II on November 20th at the Whaler Motor Inn in New Bedford from 9 a.m. to 4 p.m. The program includes a training film on the use of the popular database program DBASE II. Those attending the seminar will learn about creating files, sorting and indexing records, creating and printing reports, adding and deleting records, and a variety of other important topics for computer owners and users.

The seminar will be especially useful to computer users who have been unable to locate off-the-shelf computer programs because ord keeping needs, according to SBDC Director Clyde Mitchell. DBASE II is a program which permits the user to custom design file structures and reports. However, complicated file and record management functions are performed automatically by the program thus reducing programming significantly. For many applications a database program is the only alternative to expensive custom programming. The seminar will provide the knowledge required to evaluate the usefulness of database programs in general and provide help for users who are learning to use DATABASE II.
